To Whom It May Concern:

The College Station FFA is a chartered chapter of the National FFA Organization that promotes premiere leadership, personal growth, and career success in the field of agriculture. The success of our organization is due to hard work and generous financial support from area businesses and industries which believe in helping young people succeed. The College Station FFA would appreciate a monetary donation toward the cost of the affiliation fee so that we may enhance the skills of the future leaders in our community.

Your sponsorship ensures that ALL students in agriculture science classes can experience the opportunities through FFA. College Station FFA members have the opportunity to participate in community service, leadership and career development events throughout the year.

As a gesture of appreciation, we will showcase your sponsorship with your company logo on the back of our t-shirts to be worn by every FFA member throughout the year, in our annual membership handbook, as well as at our end of the year awards banquet. Additionally, this year we are hosting an appreciation dinner for our sponsors on Thursday, October 17 at 6 pm in the CSHS Ag Science classrooms so that we can share exactly who we are and what we do.

This past year we had great student success in the chapter. Two Leadership Development Teams qualified for state: Senior Skills and Greenhand Quiz. Three Career Development Teams qualified for state: Poultry, Milk Quality and Products, and Meats. We also had a Senior Prepare Public Speaker that will compete at the State speaking competition in July. College Station is currently ranked as the 13th FFA chapter in Texas according to the National Chapter award ratings out of over 1,000 FFA chapters in Texas! This summer we will have five students receive their Lone Star Degree at Texas FFA Convention in July and two students will receive the National American FFA Degree in Indianapolis in October.

The chapter officers have begun planning the 2019-2020 Program of Activities for the chapter and have developed several great ideas for growing leaders, building communities, and strengthening agriculture.

Your support and generosity in helping with our affiliation fee is greatly appreciated. If there are any questions, or if we can do anything for you, please do not hesitate to contact us. The chapter can be contacted via the advisor whose contact information is listed below.

Sincerely,

A handwritten signature in cursive script that reads 'Sheridan Clinkscates'.
